### \* NOTES \*

On February 17, 2010, Mr. Non-responsive based on revised scope (CGS) contacted the CSI facility in Jamestown, Pennsylvania to schedule an inspection for Sections 302, 303, 311, and 312 of EPCRA (Attachment 6). Mr. Non-responsive based on (CGS) was directed to Mr. Daniel Lashinsky, the CSI Director of Safety. Mr. Non-responsive based on (CGS) left a voice mail message for Mr. Lashinsky (CSI) to return his call and indicated that the call was in regards to scheduling and EPCRA inspection. Mr. Lashinsky (CSI) contacted Mr. Non-responsive based on (CGS) on February 17, 2010. Mr. Non-responsive based on (CGS) explained to Mr. Lashinsky (CSI) that he is a contractor for the EPA and that he was calling to schedule an EPCRA compliance inspection at the facility to include Section 302, 303, 311, and 312 of EPCRA. Mr. Non-responsive based on (CGS) informed Mr. Lashinsky (CSI) that CGS intended to conduct the inspection on Thursday March 9, 2010 at 8:00 a.m. (0800 hours). Mr. Lashinsky (CSI) agreed to this date and time. Mr. Non-responsive based on (CGS) confirmed the facility's address, fax number and obtained Mr. Lashinsky's (CSI) electronic mail address.
